**REMARKS WITH PETITION TO REVIVE**

**MS Petition**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Submitted herewith is a petition to revive under 37 C.F.R. 1.137(b). This petition is being submitted to revive the above-referenced application due to the fact that the advisory action dated August 2, 2004 was received after the expiration of the six-month period for response to the final office action dated December 29, 2003. Applicants provide the following facts to clarify the record.

The applicants timely filed a response to the final office action on May 28, 2004 with a petition for a two-month extension of time (copy of first and eleventh pages of office action attached as appendix A). As noted on pages 1 and 11 of that response, Applicants believed they were enclosing a Notice of Appeal and the requisite fee for the Notice of Appeal. However, applicants inadvertently omitted the Notice of Appeal and the fee from the materials transmitted on May 28, 2004. Applicants did, however, authorize deduction of additional necessary fees in the aforementioned response.

Upon further investigation, Applicants have determined that the fees for the Notice of Appeal were not deducted from the Applicants account and therefore may have

caused the application to be abandoned as of May 29, 2004. As such, in order to rectify the situation, Applicants are submitting the attached petition to revive.

Dated: September 10, 2004

Respectfully submitted,

By
